## El legado de un pionero

Fundado en 1974, el Grupo Rodman es la compañía más antigua de España en su sector. Su experiencia, trayectoria con más de 14.000 embarcaciones le sitúan hoy como líder indiscutible en el sector náutico español.

El Grupo Rodman presenta la oferta de producto más diversificada y versátil del sector, convirtiéndose en el activo estratégico donde reside su verdadero saber hacer. Así, el Grupo Rodman ofrece una amplia variedad y la mejor navegabilidad, pero son los atributos de la marca Rodman.

Las 3 divisiones de la compañía, botes de acero, náutica profesional y náutica de recreo encaman la pluralidad de la oferta del Grupo Rodman.

Así, en sus diferentes astilleros se producen desde pinnaceros en PRV de hasta 35m a botes de acero de hasta 170 m de eslora, pasando por botes de pesca an PRV de más de 36m de eslora, barcos de regata como el Boga de España, Copa América o embarcaciones de acero de cualquier a de sus tres gamas: diver enciclos: Rodman Spirit, Rodman Fisher & Cruiser o Rodman Mast.

## The legacy of a pioneer

Founded in 1974, the Rodman Group is Spain's oldest company in the sector. Its experience and track record in more than 14,000 vessels mark it as an indisputable leader in the Spanish boatbuilding sector.

The Rodman Group's highly diversified and versatile product range encompasses the known boat's most valuable asset: The highest standards of quality, safety and optimal sailing performance are the mains of the Rodman brand.

The three divisions into which Rodman is divided: steel boats, professional sailing boats and pleasure craft, encapsulate the versatility of the company's product range. Rodman produces everything from pinacker boats up to 35m in length, through steel boats up to 170m in length, to 36m+ long PRV fishing boats with hulls of over 36 meters, regatta boats such as the America's Cup Boga de España, and pleasure craft for three different ranges: Rodman Spirit, Rodman Fisher and Cruiser, and Rodman Mast.

## Sólida capacidad industrial

Con 5 factorías repartidas entre España y Portugal, el grupo tiene la mayor superficie industrial del sector, sumando un total de 240.000 m<sup>2</sup>. De estos, 66.000 m<sup>2</sup> son superficie cubierta, permitiendo afrontar un ambicioso plan de expansión internacional cuyo objetivo es alcanzar un ratio de exportación del 85% a medio plazo.

El total de superficie está dividido entre Mastships & Docks en Vigo, Rodman Polyship en Molins, Rodman Lusitana en Valencia de Mijno y Neveasa en Molins.

De entre estos edificios cabe destacar el recién inaugurado astillero Rodman Lusitana. Esta nueva instalación representa el augur de la compañía y su visión de futuro. Dotado con los más modernos y avanzados equipamientos y sistemas de producción de Europa su capacidad industrial lidera el mercado nacional.

## Consolidated industrial capacity

With five shipyards, located in Spain and Portugal, the Rodman Group has the largest industrial premises in the sector, totaling 240,000 square meters, 66,000 of which are covered. These facilities have enabled the company to undertake an ambitious international expansion plan whose aim is to achieve an export rate of 85% of production in a medium term.

The premises are composed of shipyards at Mastships & Docks in Vigo, Rodman Polyships in Molins, Rodman Lusitana in Valencia de Mijno and Neveasa in Molins.

Among these, it is worth noting the recently inaugurated shipyard Rodman Lusitana. These new premises represent the growth of the company and its vision of the future. Equipped with the most modern and advanced equipment and systems – the most advanced in Europe – its industrial capacity places it as a leader in the national market.
